Business Meeting

The meeting was opened by Dave Halter. Welcome to new member John Cox from Faucett, MO. Chip Siskey stated that the club is about \$600 to the good for the year to date. David Bartlett suggested an Ice Cream Social for the July 2 meeting. Upcoming events announced were the Ohio Valley Woodturners Symposium

http://www.ovwg.org/content.aspx?page_id=22&club_id=998512&module_id=155430. Also announced a demonstration

by Jimmy Clewes in Lincoln Nebraska:

June Program

The June program was the Beall Buffing System presented by Mike Thomas. Mike started by showing several configurations of wheels and bowl buffs from single wheels to three wheels on a $\frac{3}{4}$ " x 30" shaft that required support by a live center. Recommended speed for the 8 inch wheels is 1750 RPM with $\frac{1}{3}$ or greater horsepower motor. An old washing machine motor works well. Wheels should turn downward facing the operator.

He said the finish could be applied directly to the wood or over a hard finish such as Danish oil or Lacquer. Non-drying or slow drying finishes (Mineral oil, Linseed oil) were not recommended or Shellac because it would break down under heat.

The Tripoli compound should be generously applied to the firm wheel. The White Diamond and Carnuba Wax are applied very lightly to the medium and soft wheels respectively. Hold object to be polished against buff until it deflects slightly. As a precaution a pad should be placed under the wheel in case of a grab.

Turned Wine-Bottle Stand
presented by Kent

Show and Tell

Walnut Bowl turned by Dale Pollard

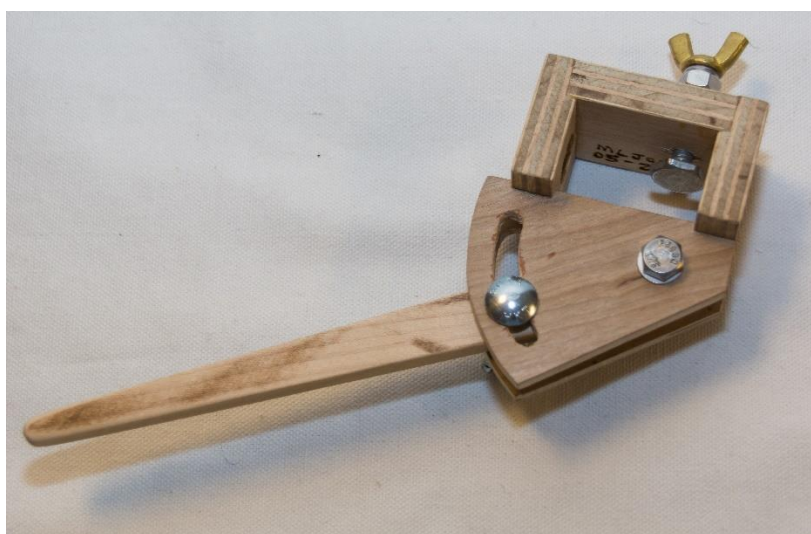

Mike Thomas brought a Walnut Magic Wand

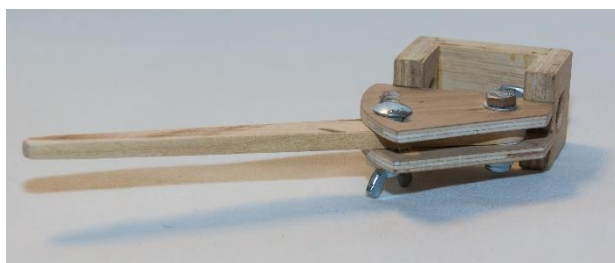

Very large Cherry Bowl cored by
Rick Bvwater

Gouge Grinding Tool by Mikeal Jones

Maple Threaded Box

Damage Control Plugs

Thanks to everyone who's helped with our plug orders. Our inventory is getting low so we will be asking for help getting restocked. There will be boxes of blanks at the next meeting. Please consider taking a box home and turning them by the following meeting.

Here's a table with the plug dimensions for reference. It's also on the Club News tab of the club website at

<http://www.northlandwoodturners-kc.com/Plus%20Size%20and%20Cut%20List.mht>

Plug	Lg Dia	Length	Sm Dia
#1	1 1/2	7	5/8
#2	2 1/4	4	1 1/4
#3	3 1/4	3 1/2	2 1/8
#4	4 1/4	5 3/4	2 3/4
#5	6 1/2	6	4 3/4
